## Enrollment Dashboard Desktop View

The screenshot displays the mySLCC Enrollment Dashboard. At the top, the mySLCC logo is on the left, and navigation links for HOME, ADVISOR, EMPLOYEE, TIME & LEAVE, RESOURCES, SEMESTER CHECKLIST (highlighted), REGISTRATION, and CAMPUS LIFE are on the right. Below the navigation bar, a 'Select Term' dropdown is set to 'Spring 2019'. The main content area features a 'WELCOME TO SLCC!' header and a four-step onboarding process:

- 1 APPLICATION**: A blue circle with a checkmark. Text: 'Congratulations! Your application has been accepted.'
- 2 PLACEMENT**: A blue circle with a checkmark. Text: 'English: ENGL 1010', 'Math: MATH 0980/0950', 'Do you have prior college credit? Check how to transfer credits.'
- 3 ORIENTATION**: A blue circle with a checkmark. Text: 'You've completed orientation! If you have any questions about what you learned, contact us.'
- 4 REGISTRATION**: A blue circle. Text: '49 days until your registration opens!', 'View add and drop classes.'

Below the steps is a 'LEAVE US FEEDBACK' button. To the right of the steps are three panels: 'Residency Classification' (with a link to 'Application for Residency Classification'), 'Admission Application Update' (with a link to 'Admission Application Update Form'), and 'Helpful Links' (with links to 'How to get a OneCard', 'Ride UTA Free with your OneCard', 'Get your parking pass', and 'Explore your textbook options').

At the bottom, a 'Paying for College' section lists four steps: '1 Complete the FAFSA', '2 Explore Scholarship Opportunities', '3 Tuition Info & Payment Options', and '4 Student Employment'. To the right of this list is the 'SLCC PROMISE' logo with the tagline 'We help pay for college. It's that simple.' and contact information for financial aid.
