SAVAGE

A large, 3D, metallic sculpture of the word "SHOOT" in a bold, sans-serif font. The letters are dark grey and have a textured, slightly reflective surface. The sculpture is positioned in front of a white wall with several framed photographs or artworks hanging on it. The background is slightly out of focus, showing a room with other elements like a computer monitor and a lamp.

SLCC

The image shows a street intersection with a curved road. In the center, there is a traffic light pole with four lights. Behind the traffic light, there are two flags: the Utah state flag and the United States flag. In the background, there is a sign for Salt Lake Community College. The sky is blue with some clouds. The street is lined with trees and there are some parked cars on the sides.

A photograph of a street intersection. In the center, there is a traffic light pole with four lights. Behind it, a curved road leads to a sign for "Salt Lake Community College". Several flags are flying from poles along this road. In the foreground, a red car is stopped at the intersection, and a white car is driving away from the viewer. The sky is blue with some clouds.

COMMUNITY COLLEGE**

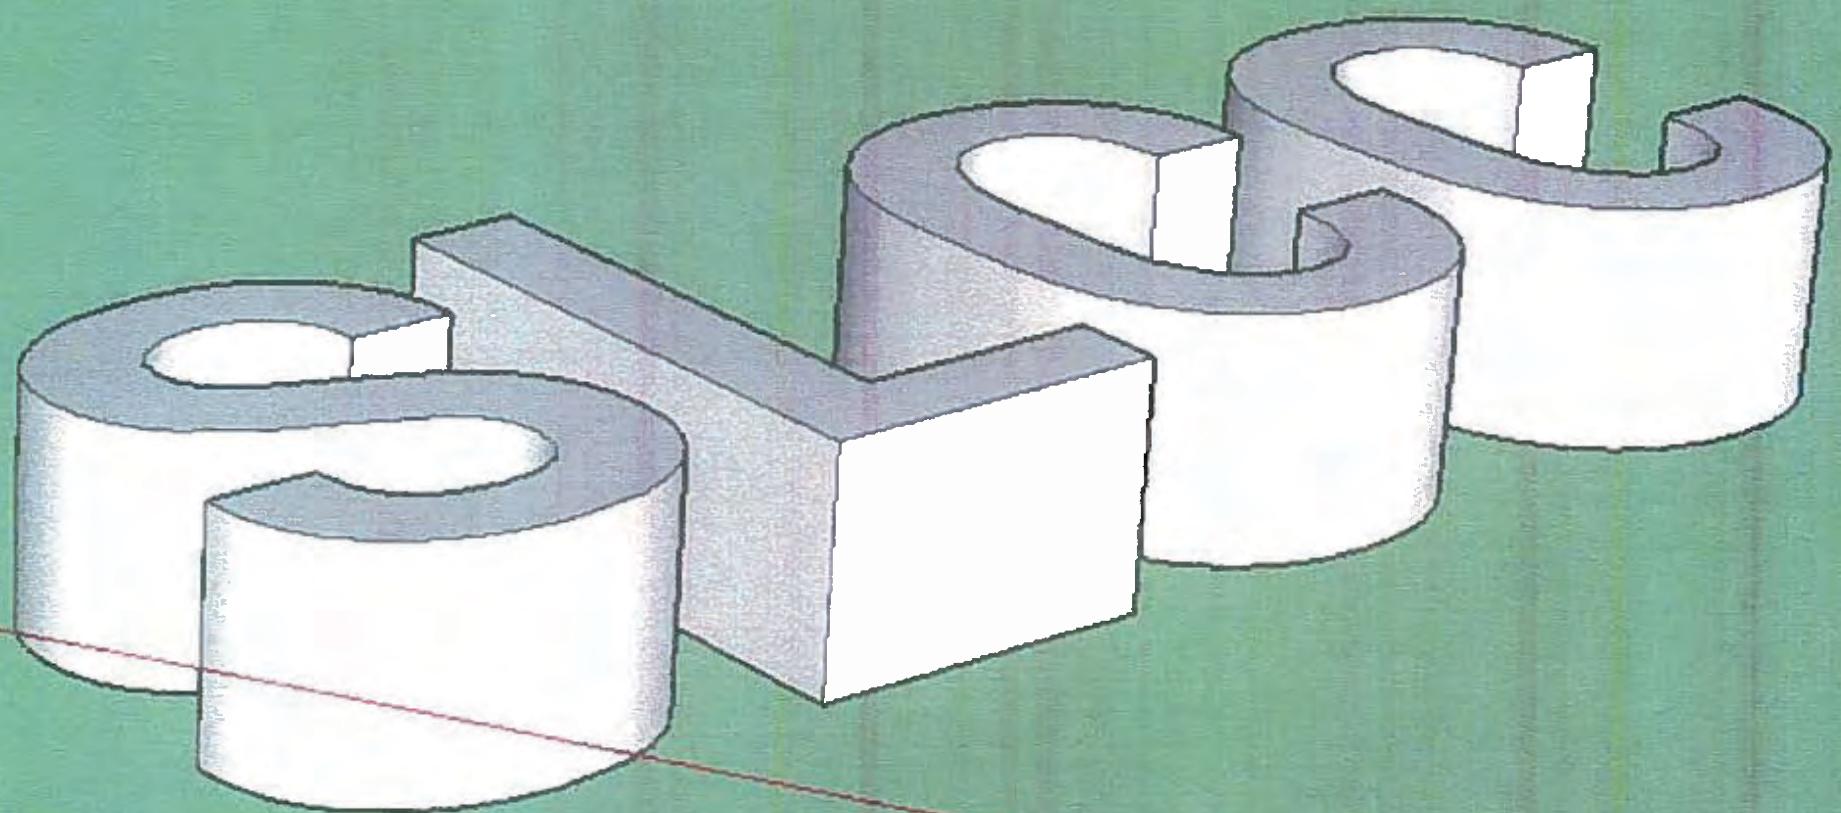

SALT LAKE COMMUNITY COLLEGE

A large, semi-transparent watermark of the SLCC logo is overlaid on a photograph of a college campus. The logo consists of the letters 'SLCC' in a bold, white, sans-serif font, with 'SALT LAKE COMMUNITY COLLEGE' stacked below it in a slightly smaller font. In the background of the logo, two graduates are sitting on a green lawn. One graduate is standing on the left, leaning against a tree, while the other is sitting on the right, holding a diploma. The background of the entire image shows a modern brick building with large windows and a sign that reads 'Academic and Administration'. The sky is filled with dramatic, dark clouds.

Indoors or Outdoors

Topiary SLCC

Flat on grass by the Amphitheater hill

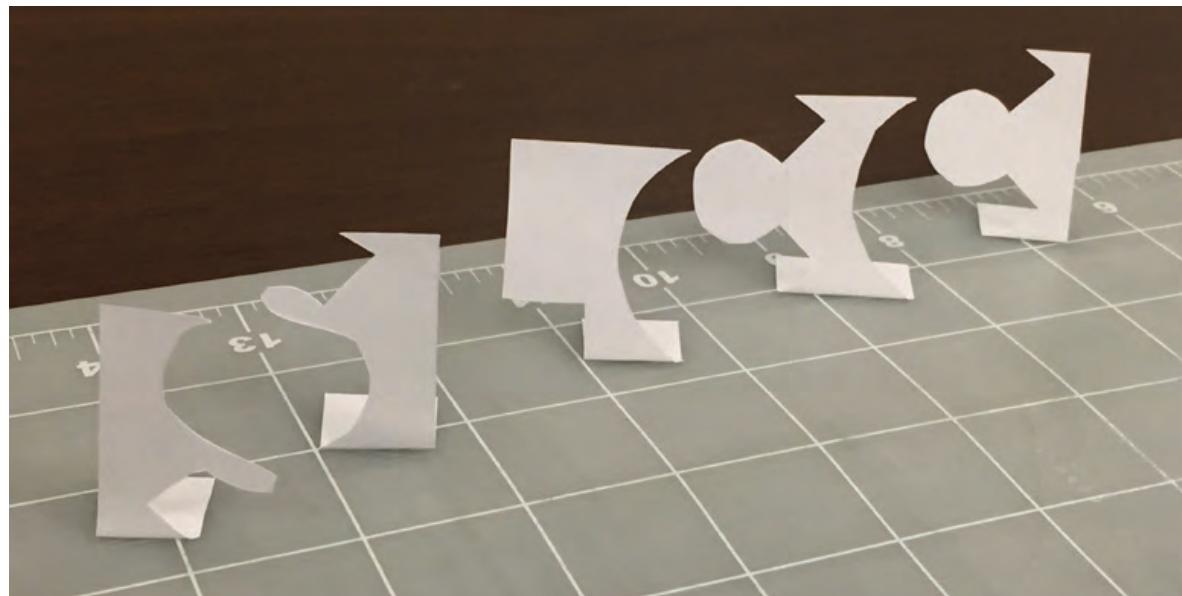

by the Amphitheater grassy area
north of AAB

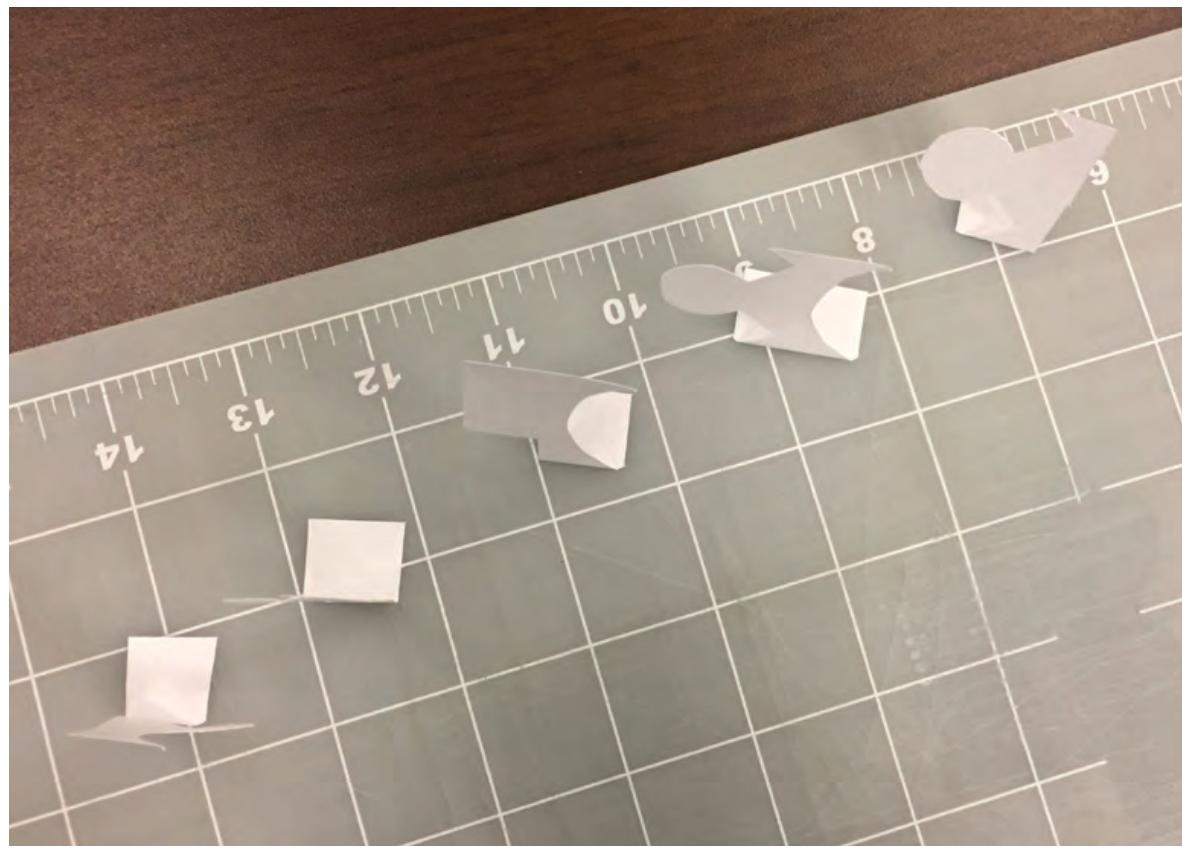

Could be metal slates stuck in the ground. As people walk down the sidewalk the obscure shapes change the negative space into the letters SLCC.

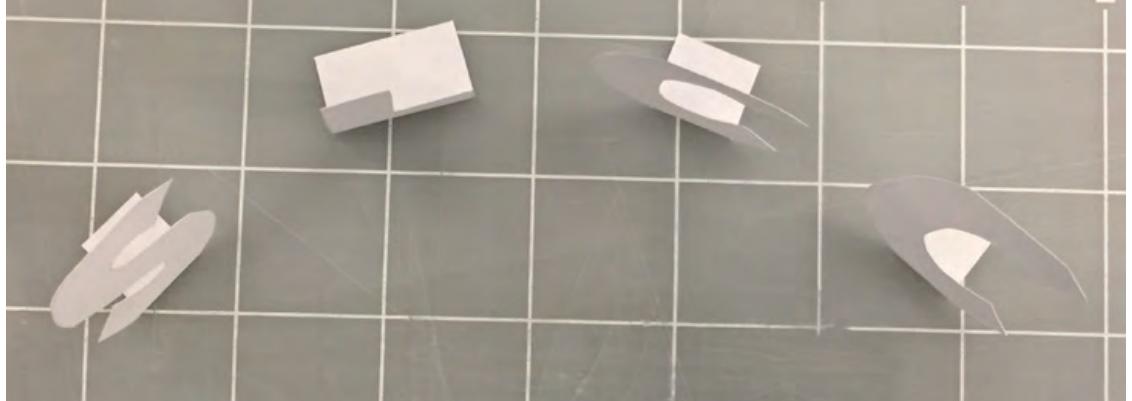

Would need to be placed on a long stretch of lawn on campus, perhaps in the area north of the AAB and East of the SI building.

They could be lit like the ones at south or the negative spaces where the letters appear could be lit from the ground to reflect off the metal.

White letters, like the ones at South set on a curve to mimic the curve of the lawn in the Realm.

Could even be done in the large grassy area that is east of the realm to be seen from Redwood Road.

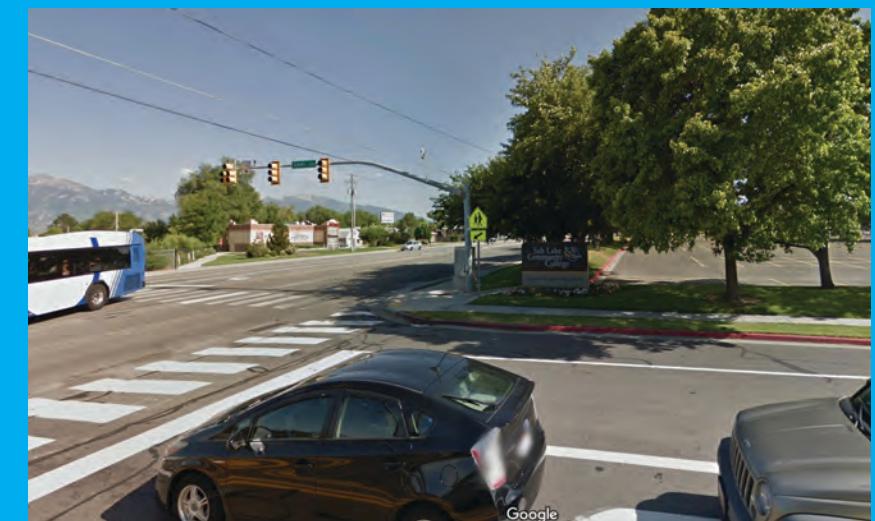

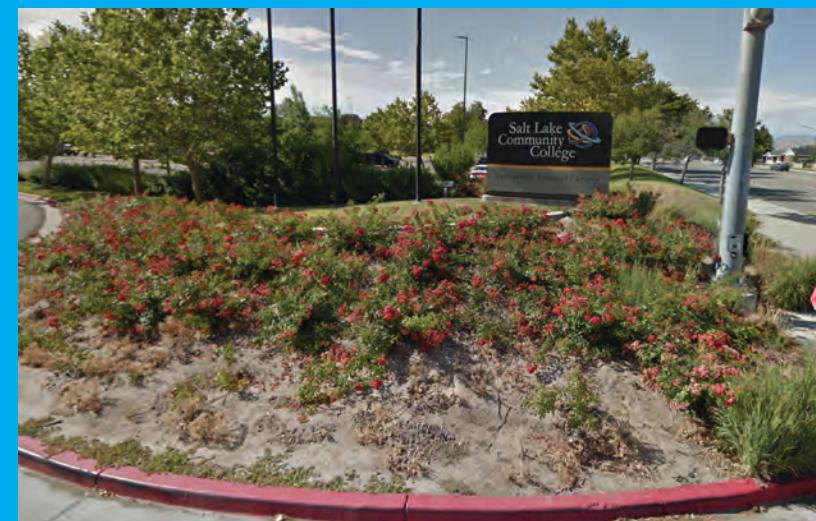

Kind of a spin off of the LOVE in New York City. The letters are set up next to each other in a + shape. Could appear over by the soccer fields on campus, closer to the parking lot or on a patch of lawn (or the cement) just south of the fields.

Could be lit with can lights in the ground, similar to lights that appear on the fountain in the Realm.
